1. At a special meeting of the Equipment Board held on 12 May 1960, it was decided that OC-E should contact [redacted] to obtain a proposal for conducting an analysis of our AS-4 system. This action is necessary because performance of the AS-4 circuit has not come up to the expected performance level.

25X1A

2. Action on a proposed program for AS-4/AS-5 development and production, as presented by OC-E, was deferred to another special meeting scheduled for 16 May at 0845 hours.
